Maintaining a developmentally appropriate and challenging,
yet achievable program.

Who We Are

- ILC Preschool is a Christian school located in the heart of Puyallup, offering classes for young children.
- We are a ministry that helps children develop spiritually, physically, socially and emotionally in preparation for continuing education.
- We encourage the development of self-discipline, a good self image, curiosity and enthusiasm for learning.
- We feel that the education of children requires cooperation and communication between the school and family.

Our school is place where children are able to...

- Build a friendship with Jesus through joyful Bible stories, songs, and prayer
- Learn how to work and play with friends
- Grow at their own pace—no rush, no pressure
- Stretch those early language and communication skills
- Practice expressing big feelings in healthy, kid-sized ways
- Try out independence and creative problem-solving
- Strengthen motor skills through fun, active play
- Dive into colorful art and music adventures
