

August Projects

AT OUR SAVIOR

LOBBY REFRESH - \$8,000

- Fresh welcome & direction signs
- Update paint and accent walls
- Improve affective/visual communication to help people of all ages get connected and serve
- Install new enhanced water fountains & refill stations

SAFETY FIRST - \$30,000

- Install keyless timed entry system for improved Main Campus security
- Install double locked entries for preschool and kids spaces
- Install safety camera in nursery
- Install new French Drain around original footprint to prevent future water damage
- Replace westside curb in parking lot

MEDIA STUDIO - \$42,650

- Renovate to our original lower level beneath the chapel, flipping it to become a multi-use media studio for ministry-related audio and video creation and production.
- Move tech storage from main to lower level

WEST CAMPUS REMODEL

- Critical upgrade from septic to sewer
- 10,000 new sq/ft of storage space for B4K
- 400 sq/ft of new outdoor patio space
- Makeovers include kitchenette and meeting spaces
- Revised hospitality and welcome area
- Partnerships with FP and local non-profit organizations to increase impact

HOW CAN I HELP?

- **Pray** - that those who work on these projects stay safe on their worksites.
- **Serve** - Do you have an hour or a day to give? Contact Nora Gass at nora@oslc.com or 253.531.2112 to help with or support a project.
- **Give** - Thanks to several years of cash surpluses, we are able to immediately fund these mission-critical projects. If you would like to give a special gift to fund future facility projects, go to oslc.com/give.

Love God. Love People. Live Like Jesus
