If disciple making is Jesus' mission,
then what is your **disciple making strategy**?

**Let's map your "dream"
disciple-making
strategy.**

Today's Question

How **could** you and your church reach out to those who we do not see in-person?

How **could** you and your physical church become a physical + digital church?

\$1M Guarantee

No silver bullets. You're unique and have a God-given context.

Build a foundation of disciple making, then launch.

Remember Jesus' mission has a church... and you're it.

Learn from others. Teddy Roosevelt once said, "Comparison is the thief of joy".
